We are adding new providers every day. If your doctor is not listed or their information does not look complete, please check online for new updates at **DelawareFirstHealth.com** or call Member Services at **1-877-236-1341** (TTY: **711**).

Easy to Use

Getting benefits from Delaware Medicaid is easy. We believe the best way for you to keep good health is to develop a good relationship with your family physician. That is why you, and any of your family who are members of Delaware First Health, need to choose a Primary Care Provider (PCP), or a Clinic that has multiple PCP's.

When you need care, start with a call to your PCP for an appointment. Tell them you are covered by Delaware First Health. If needed, your PCP will make a referral for specialized care. It's that simple.

Accessibility

If you use a wheelchair, walker, or other aids and need assistance getting into your provider's office, call their office before you get there. This way someone will be ready to help you when you get there. If you would like help talking with your provider about your special needs, call Member Services at **1-877-236-1341** (TTY: **711**).

We encourage you to make appointments for regular check-ups. Benefits with Delaware First Health include:
