Welcome to Delaware First Health

We would like to welcome you to Delaware First Health.

Delaware Medicaid provides health care services for the Delaware Medicaid program. We provide physical health services, behavioral health services, long-term services and supports (LTSS) that are convenient and accessible. Our main priority is making sure you receive high-quality health care coverage.

This is your provider directory. Below we tell you how to use the directory. Let us know if you need help understanding this.

If you need them, interpreter services are provided at no charge to you, including sign language and real-time oral interpretation. To get an interpreter, call Member Services at **1-877-236-1341** (TTY: **711**).

We are adding new providers every day. If your doctor is not listed or their information does not look complete, please check online for new updates at **DelawareFirstHealth.com** or call Member Services at **1-877-236-1341** (TTY: **711**).

Easy to Use

Getting benefits from Delaware Medicaid is easy. We believe the best way for you to keep good health is to develop a good relationship with your family physician. That is why you, and any of your family who are members of Delaware First Health, need to choose a Primary Care Provider (PCP), or a Clinic that has multiple PCP's.

When you need care, start with a call to your PCP for an appointment. Tell them you are covered by Delaware First Health. If needed, your PCP will make a referral for specialized care. It's that simple.

Accessibility

If you use a wheelchair, walker, or other aids and need assistance getting into your provider's office, call their office before you get there. This way someone will be ready to help you when you get there. If you would like help talking with your provider about your special needs, call Member Services at **1-877-236-1341** (TTY: **711**).

Taking Care of You and Your Family

We encourage you to make appointments for regular check-ups. Benefits with Delaware First Health include:

Immediate and Emergency Care

With Delaware First Health, you have access to medical services 24 hours a day, 365 days a year. If you have a serious illness or injury that needs immediate attention, first call your PCP. They know your medical history best.

In the event of a potentially life threatening emergency, call **911.** Or go to the nearest emergency room. If you are admitted to the hospital, they will call Delaware First Health within 48 hours to notify us of your medical situation. Or you can have someone else call for you.
